2022 Benefit Banquet: Hope Restored

BY MELISSA MCBRYANT: DEVELOPMENT DIRECTOR

We are excited to announce and promote our upcoming 2022 Benefit Banquet. This year our theme is “Hope Restored” with a special focus on Adoption. We believe that adoption and supporting adoption is an essential aspect of the pro-life movement.

Especially after the overturning of Roe V. Wade, there will be more of a demand for good and willing homes for children who need a place to belong.

May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.

Romans 15:13

Our Speaker this year is Nina Hendee. Nina Hendee is a native Texan with a passion for the history of her great state. Nina and her husband, Edd, own and operate the Taste of Texas Restaurant which is in its 45th year.

If you are excited to hear Nina's story and are willing to host or underwrite our event, please let us know. We do have resources to give to you to promote our event at your church or business and additional information about underwriting and hosting a table! If this is something that interests you please feel free to let us know at your earliest convenience.

Additionally, there is more information available on our website www.newlifehighpoint.org.

Her family has begun a ministry for adoptive families centered on steadfast prayer and a strong belief in faith and family. These major themes play a large part in her personal adoption testimony. "Adoption is such a sweet story. Our story is about life and redemption. It's a powerful story that resonates with all of them."

As you may know, our Fall Fundraiser is our largest annual fundraiser, and we depend on this event to bring in the majority of our yearly operating expenses. Because of this, we rely heavily upon your support and involvement with this event.

Ministering in today's world brings with it some new challenges to our ministry to families in our community. As I am sure that you know, most people nowadays use YELP, GOOGLE, or some other page

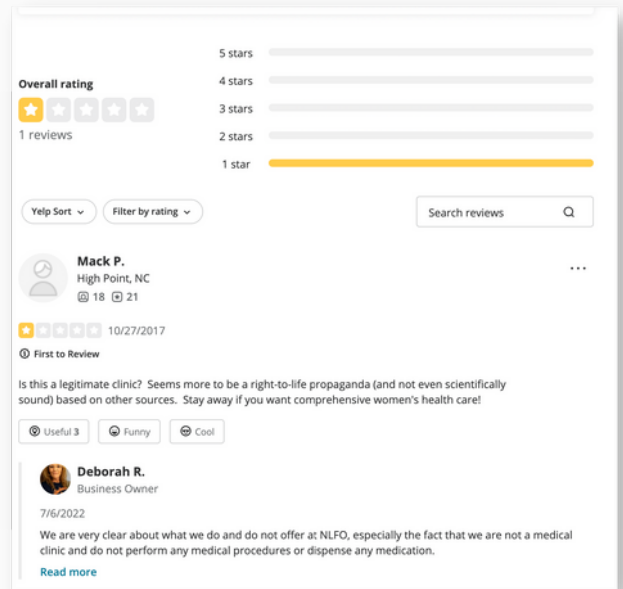

for suggestions, directions, and reviews when selecting anything of interest to them. Yelp has been showing itself as a clear abortion activist organization in several ways, and Google continues to change its policies to appease politicians by suppressing our work. Although it seems that Google's policies vary from state to state.

This is a true statement and one that we are consistently using ourselves, however, the manner in which they have done it, using a colored banner and exclamation points, makes it seem as if we have been or are being deceptive. We need your help to counter this obvious attack on PRCs and pro-life work.

Google seems to be removing the opportunity to review some pregnancy help organizations. I used to be able to respond to any negative review in order to correct the information for people looking for information on what is a very important issue. I can no longer do that.

In addition, they have applied a "warning" that we are not a medical facility and do not do abortions.

You can go to any of these pages, type in "New Life Family Outreach" and post positive and honest reviews so that any person truly needing our help can be assured that they can find it. Most of all, you can continue to be faithful to pray for all of us and other centers as we continue to be faithful to what the Lord has called us to do!

"Hope in God in Hopeless Times"

BY ARELI GIL: INTERN AT NEW LIFE FAMILY OUTREACH

"For in this hope we were saved. But hope that is seen is no hope at all. Who hopes for what they already have? But if we hope for what we do not yet have, we wait for it patiently ,"

Romans 8:24-25, NIV

Over time, society as a whole has adapted to surviving with less social support, including less emotional support. A Christian's hope is one of the faith's cornerstones. We continually ask God to hear and answer our prayers, but do we have faith that He will? We want to know what you'd do if one of your biggest desires came true.

When putting one's reliance on God, it is crucial to have faith and hope. The very definition of hope is a yearning for something which we do not yet possess, but for which we have internalized a conviction that we will one day have through Christ. "To them, God has chosen to make known among the Gentiles the glorious riches of this mystery, which is Christ in you, the hope of glory" (Colossians 1:27, NIV).

How do we maintain optimism despite the difficulties? From whom do we seek comfort and assurance? When it comes to hope, what does the Bible have to say?

Hope brings Security (Job 11:18), Hope brings Confidence (Psalm 25:3), Hope brings Praise to God (Psalm 71:14), Hope brings Eternal Value (Proverbs 23:18), Hope brings Strength (Isaiah 40:31), Hope brings Goodness (Lamentations 3:25), Hope brings Joy (Romans 12:12), Hope brings Love (Romans 5:5), Hope brings Faith (Hebrews 11:1).

What exactly are you hoping for? A glimmer of faith and hope, even if it's as small as a mustard seed (Matthew 17:20), can be a huge gain for someone who has given up completely. When we encounter difficulties, our faith in Christ helps us remain steadfast. There is a glimmer of faith in every believer, planted there by God so that they may come to trust in Him as a whole. In what or who do you place your faith and hope through it all?
